March 11, 2024

Dear Friend of Flower Garden Banks National Marine Sanctuary:

We are in the process of filling seven vacant seats on our sanctuary advisory council: conservation (1 seat), commercial fishing (2 seats), dive operations (2 seats), energy (1 seat), and recreational diving (1 seat). Beginning immediately, we will accept applications for council membership.

The Flower Garden Banks National Marine Sanctuary Advisory Council was established pursuant to Federal law to ensure continued public participation in the management of the sanctuary. The council provides advice to the National Oceanic and Atmospheric Administration (NOAA) and the Sanctuary Superintendent on the management of FGBNMS. The council also serves as an informal link between NOAA and the community. The council, which has been in existence since 2005, consists of 23 members. The Sanctuary Advisory Council membership includes two representatives from each of the following constituent groups: recreational diving, dive operations, energy, recreational fishing, commercial fishing, research, education, and conservation. The council also includes seven governmental, non-voting members that represent the U.S. Coast Guard, NOAA Fisheries, NOAA Office of Law Enforcement, Bureau of Ocean Energy Management, Bureau of Safety and Environmental Enforcement, Texas Parks & Wildlife Department, and the Environmental Protection Agency.

Other documents in the sanctuary advisory council application kit include a copy of the council charter and an application form, as well as some information about the sanctuary. Council terms will be for three years.

Please note that if you have been a federally registered lobbyist in the two year period before your potential appointment date to the council, you will not be eligible to serve as a member of a sanctuary advisory council. Please contact Michelle Johnston, Flower Garden Banks National Marine Sanctuary, 4700 Avenue U, Bldg. 216, Galveston, TX 77551; (409) 356-0392; email Michelle.A.Johnston@noaa.gov if you have any questions about this restriction.

We are looking forward to receiving completed applications at our office at NOAA Flower Garden Banks National Marine Sanctuary, 4700 Avenue U., Bldg. 216, Galveston, TX or by email to Taylor.Galaviz@noaa.gov by April 15, 2024. Applications will be reviewed by a preliminary review panel consisting of three members of the current advisory council. The panel will help us narrow down the number of candidates for each seat to the top three. Of these, one member will be officially notified of their selection.

If at any point you have a change in circumstance that will not allow you to serve on the council, please notify Taylor Galaviz at (409) 203-3012. Also, feel free to contact Taylor if you have any questions about the sanctuary, the council, or the council member selection process.

Sincerely,

Sanctuary Superintendent
